59 Days of Code		Rebecca Olson	ENDORSED	<i>As someone in the technology industry, I spend most of my time in front of a screen. As an avid outdoors enthusiast, I recognize the importance of getting away from that screen. Access to places where we can engage in sports, fresh air, and play is essential to creating happy individuals and vibrant communities. We are better humans when we are surrounded by green space.</i>

				Central California ASthma Collaborative believes every family has the right to breath clean air. A healthy and vibrant park system is critical to that goal. Parks not only hold many trees and grasses that actively clean our air, but also provide places for those same families to gather and enjoy that clean air while developing healthy minds and bodies. Yes on P is a vote for health, a vote for clean air, and a vote for fresno's families!

				CVIIC endorses Measure P as an opportunity or build a better quality of life for all of our residents. Our organization is dedicated to ensuring full participation of immigrants in building strong, vibrant, inclusive communities, and we believe a quality and equitable parks system is crucial to this vision. Measure P outlines clear plans to improve our parks, trails, and youth programs in all neighborhoods, and we hope you will join with us in supporting Yes on P.

Fresno Neon		KC Rutiga	ENDORSED	Fresno Neon has been doing business in the valley since 1932. We take great pride in this city that has given us so much, however, we feel that in the area of arts and parks, our city has fallen short. Measure P will fund the essential repairs needed to bring our facilities up to a level that we can be proud of and that accurately represents who we are as a community. Many of our Fresno parks are in disrepair, wrought with crime and homelessness. Measure P will direct funding to the areas in need of help, with adequate oversight to ensure funds are spent as the citizens intend. The citizens of Fresno deserve a community where the arts matter! Measure P will direct funding to the areas where it is needed most, bringing quality arts and cultural programs that can be enjoyed by all!
Fresno Philharmonic		Stephen Wilson	ENDORSED	The Fresno Philharmonic is dedicated to enhancing and transforming the lives of residents in our community through performances of great music. Our concerts in the William Saroyan Theatre generate over 15,000 visits a year to Downtown Fresno and over 11,000 elementary students attend our free annual education concerts. Because we believe accessible, well-maintained public parks and vibrant arts and cultural programs contribute to the quality of life for all Fresno residents, the Fresno Philharmonic is proud to support Measure P.

Radio Bilingue		Hugo Morales	ENDORSED	Radio Bilingüe is a proud endorser of Measure P and the improvements it will bring to neighborhoods across our city. Our mission is to serve as a voice to empower Latinos and other under-served communities, and we believe Measure P will bring much-needed repairs and upgrades to parks, as well as recreational and arts programs, so families in these communities can thrive. Join with us in supporting Measure P this November!
Reality Concepts			ENDORSED	"At Realty Concepts, we sell Fresno. Homebuyers -- especially the millennial buyers who are creating a new and vibrant economy all across the country -- place enormous value in their quality of life when looking for a place to land. I am convinced that this small tax will be repaid many times over again by the boost to our local economy that will be created by picky buyers picking Fresno. That's why I'm voting yes on Measure P."

River Tree Volunteers			ENDORSED / DONOR	<p>“As a nonprofit in the Fresno area, we are dedicated to educating the public on the San Joaquin River through service learning projects on and along the San Joaquin River. From river cleanups, tree plantings and public property care, our dedicated volunteers work to maintain the San Joaquin River for all to enjoy. The passage of Yes on P would greatly assist us in this mission and as such we are proud to stand in support of the Fresno for Parks campaign. “ -River Tree Volunteers</p>
Roosevelt High Ecology Club			ENDORSED	<p>Nearly 50 members of the Roosevelt High school Ecology Club has voted unanimously to support the Yes on P campaign to bring expanded access to parks and programs for our neighborhoods in the greatest need for green space. We are working around our campus and community to promote the measure to make our world a more beautiful and sustainable place</p>

Dr. John Telles		Elliott	ENDORSED	REQUESTED	<i>In order to decrease cardiovascular events I recommend to my patients to exercise daily, reduce stress and stay socially connected. As humans we are biologically programmed to be healthiest if we can accomplish these goals. There is no better way to accomplish this triple aim than to take a walk, jog or bike ride in a park. Exercising in a luscious green environment reduces stress hormones, blood pressure and cardiovascular events. Participating in community events in parks creates a shared sense of social connectedness that also reduces stress hormones and improves our health. Parks are a crucial ingredient to help us humans adapt to urban life. I Strongly support measure P as a public health initiative.</i>

					We are at such an exciting moment in our city's history. We have two burgeoning universities, a revitalizing downtown, growing technology industry and economy guided by strong leadership in critical places throughout our community. Our city's future success depends on not just one of those things, but a collision of all and many others. The availability of green space, trails, parks and other shared public areas is critical piece to the puzzle. I'm voting Yes on P!"

					Picture green lawns, lush trees, clean and functional bathrooms, sufficient trash cans, families celebrating as children safely run around Fresno parks. Picture kids getting much needed help after school in a clean and pleasant neighborhood atmosphere. Picture much needed art awareness opportunities as jumping boards for writing projects and math. Picture bringing these dreams to reality. Vote for measure P.

					I am blessed to come from a family that has cared deeply for Fresno over 5 generations, since the 1880's. My great grandfather, grandfather, and father all worked to improve the quality of life in Fresno, with a particular focus on parks. Now it is my generation's turn to step up and ensure that all Fresno residents have access to clean and safe parks. That's why my own family and I are strong supporters of Measure P. This is an opportunity for every citizen of Fresno to improve the quality of life in our community.

JP Shamshoian	Realty Concepts	Natasha	ENDORSED	RECEIVED	"At Realty Concepts, we sell Fresno. Homebuyers -- especially the millennial buyers who are creating a new and vibrant economy all across the country -- place enormous value in their quality of life when looking for a place to land. I am convinced that this small tax will be repaid many times over again by the boost to our local economy that will be created by picky buyers picking Fresno. That's why I'm voting yes on Measure P."
Juan Arambula	Former CA Assemblyman / Fresno County Board of Supervisors	Elliott	ENDORSED	RECEIVED	"We all want Parks for our children and grandchildren to play in. We all know Parks are important to our community's health and well-being. And, we will all benefit for generations to come when the Parks measure passes this November. These are some of the many reasons I support the Yes on P campaign
Judy Stene	Executive Director - Children's Musical Theater	Sarah	ENDORSED	RECEIVED	As executive director of Children's Musical Theaterworks - a community theater for children ages 6 to 20 years old - Measure P has my endorsement. Parks provide all citizens with a place - to have fun - to be families - to enjoy life. Measure P will also help CMT's home for 18 years at Memorial Auditorium. Needed repairs to the theater can be funded by Measure P. Please vote yes - maintain and provide parks - and help us keep the curtain up at Memorial.
Justin Vartanian		Sarah	ENDORSED	RECEIVED	My family believes in the long-term investments that Fresno for Parks will make in our community. We envision a community where green space is not a luxury, but an essential part of every neighborhood. Yes on P has the opportunity to transform our city from the inside out!

Kristina Garabedian	Founder/CEO - Shoebox Sharing, Inc	Sarah	ENDORSED	RECEIVED	"Measure P represents a transformative investment that will benefit all of the children in Fresno. We are excited to partner with Measure P to help make sure every child has access to resources, no matter the neighborhood they come from, or different physical abilities they were born with. With focused reinvestment in our community, Fresno is sure to have a stronger and brighter future!"
Larry Powell	Former Superintendent - Fresno Co Superintendent	Elliott	ENDORSED	RECEIVED	"Our local parks are an important part of making our community a desirable place to live, work and raise a family. Yes on P provides a guaranteed, local funding source for Fresno's parks that will improve the health of our community in a tangible way. It is time that we come together to support this solution that will ensure we all have access to clean, safe neighborhood parks." –

Luisa Medina	Former City of Fresno Planning Commissioner	Sarah	ENDORSED	PENDING	"Research has shown that parks are good for children and families as well as the economic viability of our city. As a former City of Fresno Planning Commissioner, I was able to directly see the benefits additional green space can have on a community. Passing Yes on P is important and addresses an immediate need to create neighborhood parks that will benefit our entire community."

Mehmet Noyan	President - The Noyan Company	Elliott	ENDORSED	RECEIVED	<i>“As a developer, I have witnessed the disparity in green space in our community first hand. We must invest in Fresno to create access regardless of zip code. By improving our parks and trails, Measure P will not only improve the lives, but property values, and make it easier to recruit businesses and retain employees and investors. Our community will be safer from property crime and violence when we invest in better opportunities for our youth. I also write this as a father and grandfather. I am proud to stand in support of Yes on P.”</i>
